Our Media and Music Youth Workers help us to deliver sessions that bring young people together to celebrate creativity through music and media. They support young people's creative skills and encourage them to explore new ideas to build their confidence, social skills and overall wellbeing.

## WHAT CAN YOU EXPECT TO BE DOING?

- Either helping to deliver sessions experimenting with different types of media (such as video editing, photography, podcasts) or delivering sessions that develop young people's music skills (including playing instruments, recording and producing)
- Encouraging young people to participate and enjoy their sessions
- Building positive relationships with young people across the youth zone
- Working collaboratively with the Arts Coordinator and other members of staff to support the delivery of sessions

## WE'RE LOOKING FOR SOMEONE WHO:

- Enjoys meeting and engaging with people from a wide range of backgrounds
- Is adaptable and happy to try new things
- Some experience in at least one area (i.e. playing an instrument or experience with recording) would be great but if you don't have any, an active interest and for media and/or music will be more than enough!
